Stella McCartney

8/10 PAUL: Stella ventures outside of her usual drab style wih abstract florals.

8/10 CLAIRE: This floral dress and obi belt looks fab – love the perspex heels too.

Michelle Williams

5/10 PAUL: I'd like this dress more if it wasn't so saggy around the waist – lovely box clutch.

8/10 CLAIRE: Michelle successfully balances glitz and modesty in this demure dress.

Cameron Diaz

3/10 PAUL: Cameron looks great in slinky pastels, not in structured prints.

4/10 CLAIRE: This ornate monochrome dress is beautiful, just not right for Cameron.
